

BC190XL BRUSH CHIPPER

BUILT TO LAST. Market-leading oversized cutter bearings, disc, drive and infeed system mounted in a high-strength all-steel body to provide the productivity needed for your demanding workloads.

MARKET-LEADING INFEEED. A large infeed opening of 203x305 mm in combination with a wide tapered infeed table provides the capacity to do the hard work for you.

PUSH-BUTTON CHIPPING. Convenient operation with one switch to engage the throttle and one switch to engage the cutter disc, with indicator light.

LARGEST INFEEED ROLLERS IN CLASS. With an offset 400 mm top roller and 260 mm bottom roller combined with Vermeer-exclusive auto reversing SmartFeed control, feeding material becomes much more convenient.

NO-COMPROMISE CHIPPING. Coupling the Kubota 48,1 hp (35,9 kW) engine to a 76 cm diameter 4-knife disc, the BC190XL can handle diameters up to 20 cm and discharges chips at an average distance from 10 to 12 metres - all this at 120 dB(A)!

3-YEAR WARRANTY. The Vermeer BC190XL comes standard with a 3-year limited warranty. Ask your local Vermeer dealer for the details.
